

AFTER

In Cuba, an evening with family and friends is followed by a sweet dessert, a glass of rum and a cigar. The rum and dessert can be enjoyed in our dining room or bar; and when you have finished, feel free to retire to the Cigar Divan (smoking lounge). There you may make a cigar selection from our walk-in humidor that is stocked with numerous vitolas from around the world (see back page for more information). Cigar smoking is permitted in the divan and on the adjacent patio.

RUM TASTING

INTERESTED IN RUM TASTING?

Over the years, many guests have asked about our favorite rums. We are excited to offer these three distinctly different rums that we especially enjoy and recommend. It is traditional to sip these fine spirits “neat,” similar to a single malt or cognac...Salud!

CIGARS

We invite you to select a cigar from our walk-in humidor. It is located adjacent to the cigar divan. La Bodeguita is the Bay Area’s exclusive distributor of Graycliff cigars, originally produced by Avelino Lara, creator of Cuba’s Cohiba, Davidoff and Trinidad marques. In addition to our private label, we typically carry the following brands:

- PADRON • MACANUDO • LA GLORIA CUBANA
- PARTAGAS • ROCKY PATEL • MONTECRISTO
- A. FUENTE • COHIBA • GRAYCLIFF “AVELINO LARA”

Please remember that it is a violation of California state law for any of our staff members to enter the Cigar Divan. Therefore, *we kindly request that you return ALL of your empty glasses to the bar.* Also, food consumption is NOT allowed in the Cigar Divan. Guests in the divan and patio must be 21 years or older.

The room is occasionally available for private parties and special events. Please see our website for additional information.
